

The soft launch of Phase 2 of the SkillsConnect system will take place on 26 Oct 09. Two training providers (Civil Service College and ITEL Learning Systems Pte Ltd) had been selected for the trial of the system, along with three in-house training organisations.

Prior to this soft launch, there will be a system blockage of SDF EasyNet system from 12 Oct 09. During this period, registration of new training providers along with new / edit of course pre-approvals will not be accepted.

All companies should apply for the training grants (course fee and absentee payroll grants) and enrol for courses conducted by the two training providers via the SkillsConnect system, particularly for courses commencing from 26 Oct 09 onwards. All other courses are to be enrolled via the SDF EasyNet system.

Please refer to Annex A for the various transaction types available for the various profiles under the SkillsConnect, SDF EasyNet, SRPNet systems, and the hardcopy mode of application, beginning 12 Oct 09.
